How Far Will Your Sponsorship Dollars Go?

Did you know that \$1,500 is approximately the amount that it takes a GAABC grantee to pay for one person to go through the breast cancer diagnostic process from start to finish?

At \$5,000, your sponsorship could help provide: 35 screening mammograms for individuals in need or 10 genetic marker tests for people with a family history of breast cancer

At \$10,000, your sponsorship could help provide: 71 screening mammograms for individuals in need or 50 counseling sessions for people facing a breast cancer diagnosis or treatment

At \$15,000, your sponsorship could help provide: 12 people from start to finish all the way through the breast cancer diagnostic process

At \$25,000, your sponsorship could help provide: 20 people from start to finish all the way through the breast cancer diagnostic process, or provide transportation for those who need it to 150 treatment sessions

At \$50,000, your sponsorship could help provide:

- 41 people from start to finish all the way through the breast cancer diagnosis process, or
- Cover the cost of a summer camp for children with family members going through breast cancer, provide 71 screening mammograms, 10 genetic marker tests, and 50 counseling sessions for individuals in need!
